Tiger Paws 1983

Dedication

Mr. Terry Clark

We, the class of 1983, would like to dedicate this year's edition of "Tiger Paws" to a man who has had a great influence on all of us. His ability to provide leadership and authority in a very tactful and friendly way has made our final year at Seneca East a pleasurable one. We appreciate the personal attention he has given to each of us and realize just how much he really cares about us, the students. It is with great pride and admiration that the Seniors of 1983 dedicate this year's annual to our principal, Mr. Terry Clark.

As we seniors reflect upon our years in high school, we remember with much pride the tears and joys that we shared. During our freshman year we became familiar with the activities and routines that for the next four years would be our life. Known as "spider monkeys", we grew to love the sports, clubs, dances, spirit week and pep rallies that were part of our everyday activities. Our sophomore year was highlighted by receiving our class rings and being prom servers. Before we knew it, we were juniors selling magazines to raise money for our class trip and putting our time and effort into a successful prom. It's said time flies when you're having fun and so it does. It seems only yesterday we were freshmen, and now we're seniors. In our final year of high school, we are beginning to plan our future and starting to decide what we want to do with our lifes. Our senior year is one of great accomplishments and one filled with many fond memories that we will never forget. We are the class to rise above the ordinary and give the word "discovery" a new meaning.

Sophomores

The class of 1985 took another step into high school. The sophomores felt more at home this year. They served for the prom. The class began to prepare for their prom and class trip by selling popcorn and candy. They were able to move a little bit more freely and gain more power.

Freshmen

During our freshman year everyone adjusted well to the new people and surroundings. Evidence of this were the great displays of individual skills to aid with the many fine accomplishments scholastically and athleticly through the year. Although at the bottom of the "barrel" and often treated as though, this year has been very interesting and enjoyable and will always, in our minds, as one of the best.

Quarterback Rick steps back for the bomb.

The 1982 SEHS Football Team, led by our six seniors, set more records than any other football team in the school's history. John Brookes, Scott Halcomb, Gary Hoepf, Gregg Langjahr, Lew Smith, and Mark Stacklin were our team captains. They will be missed next year, but never forgotten. Here are some of the accomplishments that they helped our '82' team to meet: first team to place six- all-league selections in the LSC, jumped to third place in LSC standings, beat Hopewell London, first team to win the final game of their career in years; and most of all, first team to win 5 games in one season. CONGRADULATIONS GUYS! The highlights of the season were: beating Hopewell and presenting Gregg Langjahr with the Victory Game Ball, (Gregg was injured a week earlier and put out for the remainder of the season) and of course the 16-0 final game victory at Lucas.

Our record doesn't show the improvement that was made throughout the season. We had many players returning but seeing their first varsity action this year. We had a very enjoyable time. We had a large squad many who returned for another season but also we had a group that were just beginners. The beginners learned quickly and really showed improvement as the year went on. With just aobut everyone returning next year along with the experience gained last year, I look forward to an overall improvement next year.

This year's Tigers were young (1 senior) and inexperienced (1 starter returning). Despite this the Tigers were 7-1 at the Christmas break. After breaking even for the next 6 games at midseason we struggled versus inconsistant offensive and defensive play to finish the season at 12-9. The tigers always played hard and learned many valuable lessons which will be put to good use next year.

Our record indicates a losing season. However, I feel that there were definite areas in which we made important improvement. I can never think of any time that we ever gave up or quit during a game. For this fact, I believe we can take pride in our season. Thank you to all who contributed, in whatever small way, to our season; and especially to the Seniors-Theresa Schaaf, Sue Smith, Lisa Tusing and Karla Williams, you will be greatly missed!!

The Tiger JV Basketball team concluded a very successful season the way they started with a winning streak; five in a row to start 4 in a row at the end. The Tigers overcame some rocky games in the middle to finish the season at 15-5. The highlight of the season was for the Tigers to win the Lakeshore Conference outright with a 9-1 record and to tie for the SCL title with 7-1 record. A great season for a great group of young men.

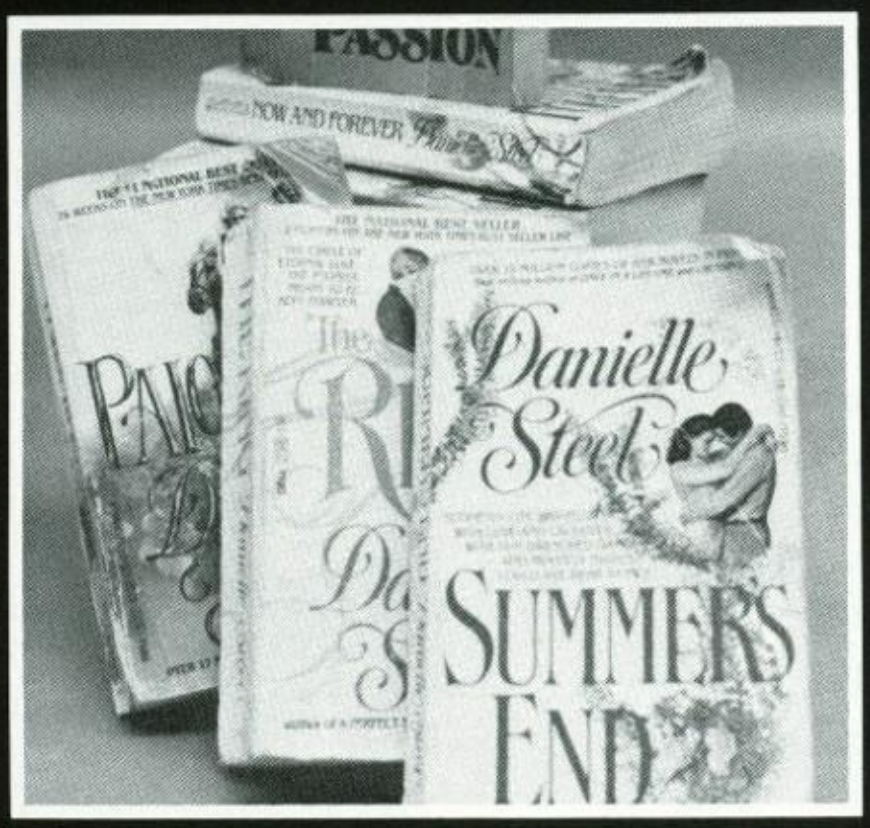
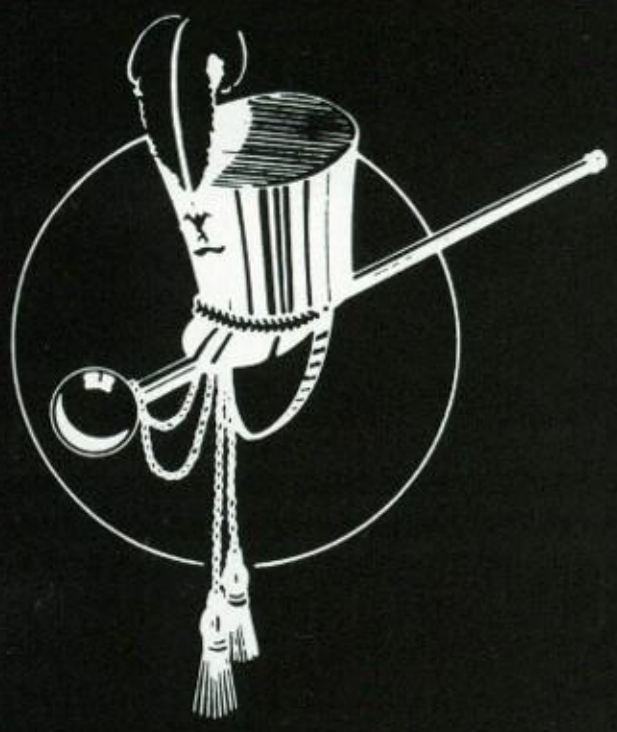
What Was Current At S.E. In 1983

State Track, State Band, And What Was Often Seen In The Halls Or Around School





School is more than homework, tests, and teachers. School is where many trends are made and fashions are exhibted. In 1983 language had a certain twist (fer sure- like it was totally awesome) and skirts were shortened beyond recognition. Bow ties and the "preppy look" were in along with Rubber Duck shoes and other items of "preppy" taste. The movie everyone talked of was **E.T.** but **Ghandi** walked away with the movie of the year. Many other movies were popular also, but music also had a big place in '83. This was obvious because of the "ghetto jammers" and walkmens on or by everyones ear. School achievements were great this year with the band and track going to state and doing rather well. Ronald Reagan still reigns as the President of the U.S. and Dick Celeste became the new Ohio govenor. Yes- 1983 was a year of pleasure and enjoyed for all to look back on and cherish memories about forever.

Our Friend From Afar

Joao Mata arrived in Attica on Feb. 2, 1983, from Manaus, Brazil. His American family is Al and Joyce Sutton, Todd, Kaye and Dean. He spent 7 yrs. in military school in northern Brazil where he was active in soccar, volleyball, and basketball. Joao finished school in Nov. and decided to spend his summer in the U.S. While at Seneca East, Joao was a member of the S.E. Tiger Pride in which he played drums. He also participated in baseball and earned a merit roll status. Joao adapted well to the American way and he enjoys living here. Joao does't like the cold winter but he likes to go - wheeling in the snow. During the summer he is learning to play golf and how to waterski. Joao turned 18 on July 20, and it's been a pleasure to have him at S.E.

Bye Bye Birdie

Albert Peterson, of the Almaelou Music Co. struggles to keep in business while Rosie, his secratary thinks he should have been **AN ENGLISH TEACHER.** They decide to send Conrad Birdie, rock and roll star of the 50's, to Sweet Apple, Ohio to give a girl, **ONE LAST KISS** before going into the army. Together with Albert and Rosie, Birdie sings his way into the hearts of American teens. In Sweet Apple, Kim MacAffe is pinned to Hugo when she learns **she's** the one girl Conrad will kiss. Hugo becomes jealous, Rosie and Albert aren't speaking, the teens are going wild and the parents can't do anything about it. Meanwhile, Birdie does't want to be a star anymore. He wants to be normal and say's he's got **ALOT OF LIVIN' TO DO.** Despite all of this, in the end Conrad slips away into the army and Kim and Hugo are back together. The parents are happy and Albert finually marries the one he loves, **ROSIE.**

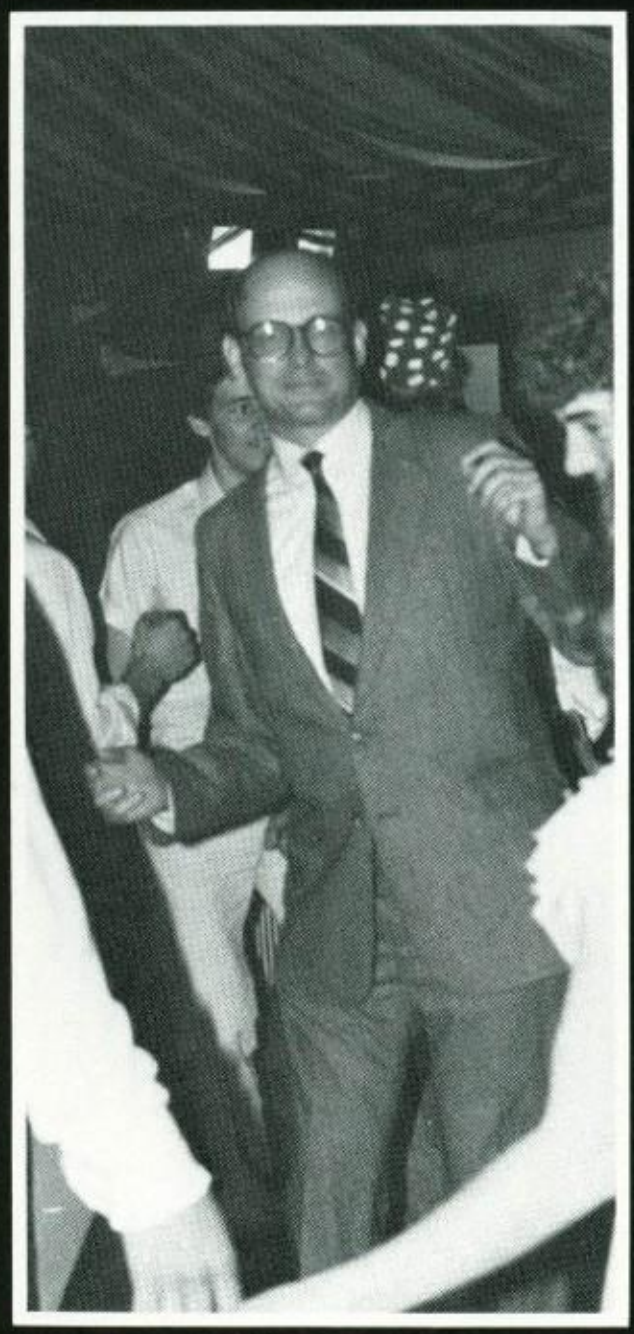
Prom Night 1983

The prom began at 6:30 p.m. Saturday, April 30. As we entered the gym to sign the guest book, it became obvious that the theme of the prom was "The Big Top".

We began the evening with a buffet style dinner which included ham, roast beef, mashed potatoes, gravy, corn, salad, rolls and butter, milk, coffee, and ice cream sundaes. Once dinner was finished and our plates had been cleared, we went to the auditorium for the senior prophecies. Ken Stine, the junior class president, gave a few words of welcome. And Tony Leis, the senior class president, thanked the juniors for all the work they had put into the decorating. When the band, "Enterprise", had finished setting up, we returned to the gym to continue the prom with the dance. Boy, does time fly when you're having fun! Before we knew it, the dance was over, and people were changing to go bowling in Tiffin. Bowling at 1 o'clock in the morning is a definite challenge, considering it was getting harder and harder to stay awake. When we had finished bowling, the buses were loaded once again for our return to the school for the evening's movie,



American Graffiti. The movie ended at about 5:00 a.m. with plenty of people asleep. Those who felt awake enough went to the last event of the evening, the breakfast. Although we were thoroughly tired after the breakfast we returned home with some good memories.

Our senior trip was a first in the history of Seneca East. We took a Caribbean cruise aboard the S/S Dolphin. But to get down to Miami and board our ship, we had to fly. It was a new experience for most of us and it proved to be exciting. And by the way, NEVER eat plane food! Once we had landed in Miami, we boarded the buses for the docks.

Once we were on board, we had the task of finding our cabins. But fortunately for us there were a lot of helpful crew members to guide us to our cabins.

Then it was time to sail. Let me tell you a couple of things. First, there is no big send off like you see on the "Love Boat". And second, the crew is foreign. Anyway, if you ever go on a cruise be prepared to eat. They serve 7 meals a day. Our first port of call was Freeport. We spent part of the day at the straw markets and International Bazaar, and

the rest of the day at Xanadau Beach.

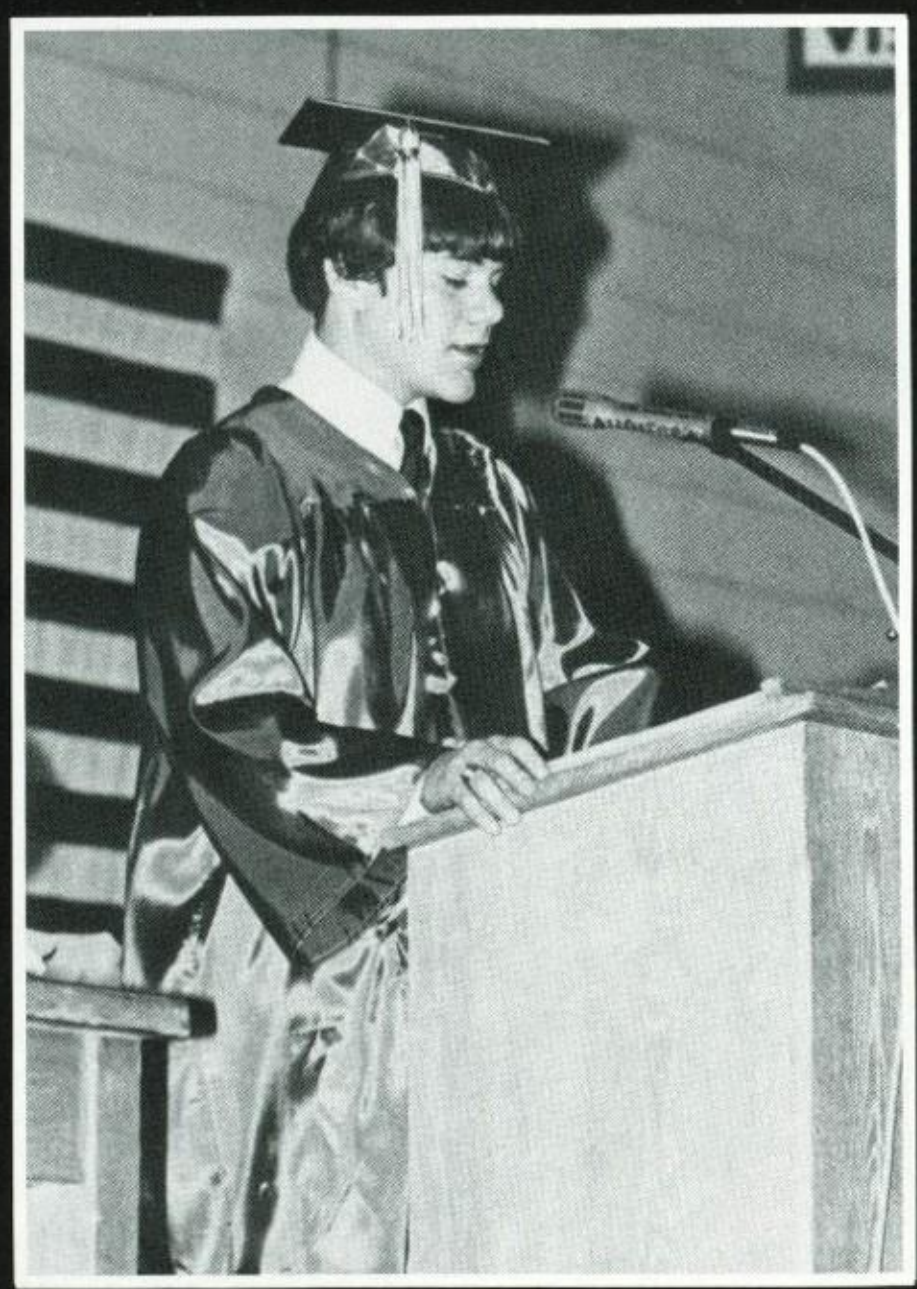
Once back on the Dolphin we set sail for Nassau. We arrived the next morning and were able to spend our first day shopping and the second day at the beach.

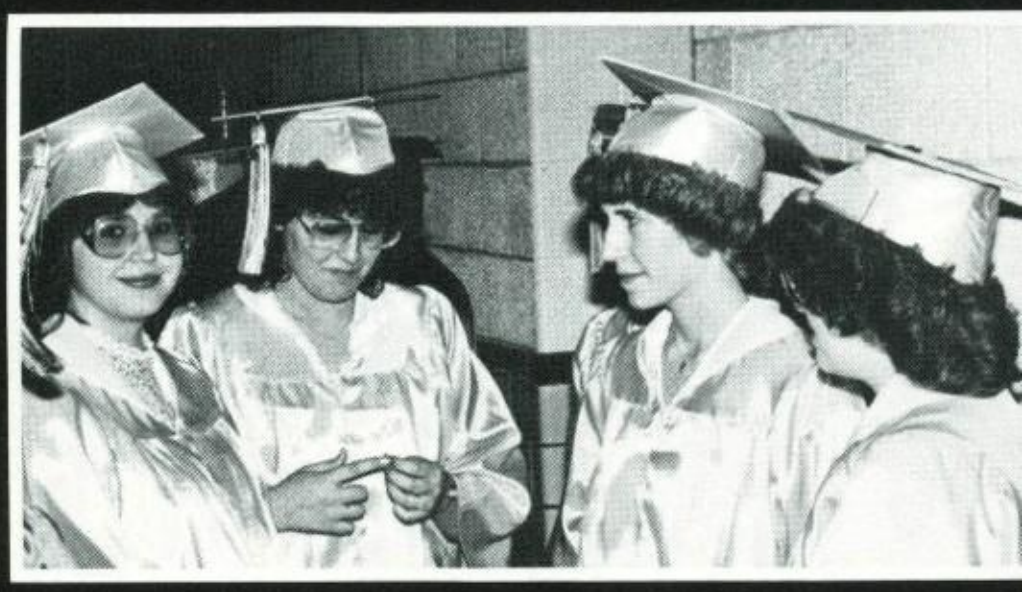
At the close of the second day we knew that our trip was almost over. But we still had Epcot to see.

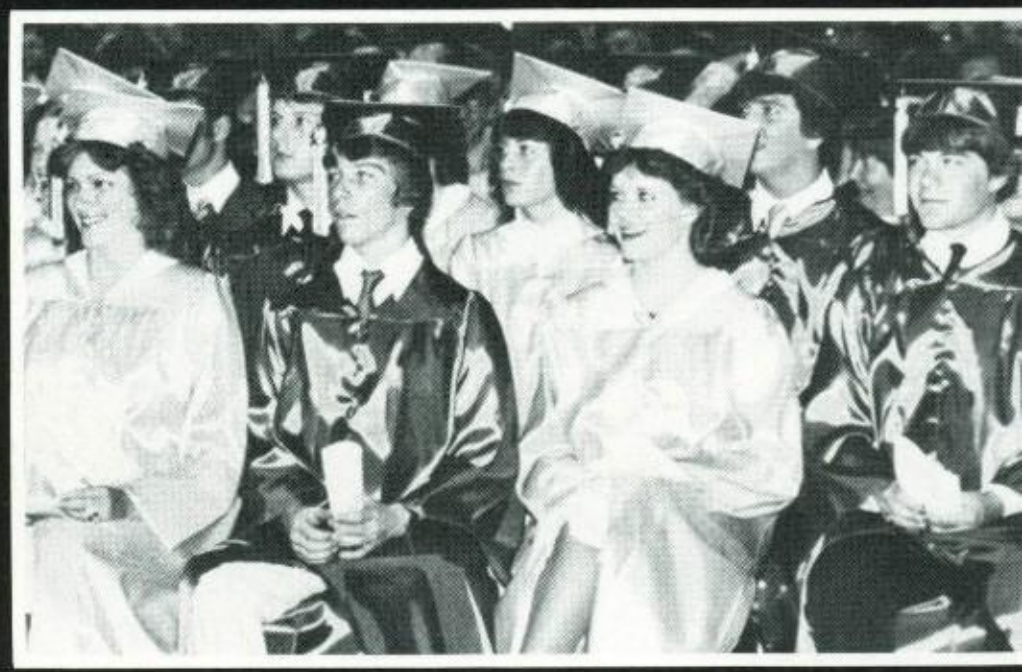
Epcot is an interesting place to visit. It's like visiting all the exciting and exotic countries of the world in **one** day! Our time at Epcot ran quickly and it was time to leave for the airport and home.

Going on vacation for a week certainly is fun, but it's also nice to get home and relax!

Graduation







Our graduation night, May 27, 1983, was filled with many different emotions. As we got ready in the cafeteria there was nervousness in the air as we began to realize that this was the final plateau of our high school career. Then came those fateful words that we were to line up to begin the commencement excerises. As the band played "Pomp and Circumstance" we began our procession into the high school gym. After the Invocation, the speaker for the evening was introduced. Our speaker, Father Robert Hunt, proved to be a very enlightening speaker with a very effective way of getting his point across. When Father Hunt was finished we were left with a good feeling inside. Then the chorus presented a selection of choral numbers. After which Mr. Clark presented the Class of '83 and Tony Leis, the class president, gave a few remarks. Then came the big moment that we had been anticipating since the start of the evening, the presentation of the diplomas. After receiving our diplomas we left the gym with a brand new feeling of accomplishment that would remain with us for a while to come.

Parent Student Swap Day

This year the Junior High had its second Parent/Student Exchange Day. On this day the Parents of children in the Junior High can go to school for the day and the students stay home. The parents were responsible for their child's work and participating in all the classes the child had that day. Most of the parents enjoyed phys. ed. class. They were also responsible for bringing home their homework. The students that went to school that day enjoyed having the parents come for the day.

In Closing . . . . .

The theme of this year's **Tiger Paws** is "Rise Above the Ordinary" and I can think of no more fitting motto than this for the Class of 1983. Being one of the smallest classes in the history of Seneca East and having a large, strong class on either side of them, could easily have marked the 'Class of 83' for mediocrity. However, nothing could be further from the truth.

Through hard work, dedication, and "pride" the "Class of 83" achieved great heights acedemically and in extracurricular activities. This book is full of their accomplishments and we are very proud of not only for this, but also the leadership and spirit they provided. They have set goals for those behind them to achieve.

We shall certainly miss each and everyone of them and we will treasure their contribution to Seneca East. Best of luck to each of them and may their memories of Seneca East be only good. They are now part of the tradition of "Tiger Pride" and have truely risen above the ordinary.

Good Luck!
Terry Clark
